DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-18, and 20 are allowed.

The following is an examiner's statement of reasons for allowance: the prior arts do not disclose or render obvious in combination of the PCB having the first and second conductive layers respectively include plural conductive regions of different potentials, with the second interlayer connecting member connecting conductive regions of substantially the same potential of the first conductive layer and the second conductive layer (claims 1, 17), and the characteristic impedance relating to the first interlayer connecting member and the second interlayer connecting member, the characteristic impedances of the first wiring and the characteristic impedances of the second wiring are substantially identical (claim 4).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan T. Dinh whose telephone number is 571-272-1929. The examiner can normally be reached on M-F.
